## WORK EXPERIENCE

**Modiphy**
*Web Developer* *July 2022 - May 2024*

- Developed and managed a portfolio of 15 client websites, maintaining an average uptime of 99.9% and increasing website traffic by 20% quarterly.
- Initiated regular client communication to address website requests and upsell additional services, resulting in a 15% increase in revenue from existing clients.
- Implemented SEO strategies on all client websites, leading to a 30% increase in organic search traffic and improving search engine rankings by an average of three positions.

## LEADERSHIP EXPERIENCE

**Crazy Contractor Web Designs**
*Sole Proprietor* *January 2023 - Present*

- Executed cold outreach strategies, including cold DMs, cold calling, and cold SMS, resulting in acquiring 15 new warm leads for my website services within a 3-month period.
- Managed the end-to-end sales process independently, from prospecting to closing deals, leading to a 80% increase in demand for my services.
- Conducted nearly 1000 cold outreach attempts personally, achieving a 10% conversion rate and bringing in almost 100 warm leads that are regularly followed up with.
